Aah...
They'll notice we're missing when dinner comes
Since we disappeared at the same time...

あの娘にキスと白百合を

I, HUSAKADE CHIHARU, AND MY SENPAI
HAVE BEEN LOCKED FOR THE LAST TWO HOURS IN THE STORAGE ROOM OF THE DORMITORY
I'm sorry, Chiharu.
Seriously
How can you even drop a wrist watch?
I said I was sorry
I'm pretty sure I dropped it somewhere around here.
Ah!
Found it!

I should have dressed more thickly
The lights are broken, to boot
Aren't you cold, Chiharu ?
Not at all.
Liar
Your hand is frozen.
I'm very sensitive to the cold
It's always frozen.
You're acting tough

It's a bit warmer like this, you see?
If that's your case, good for you

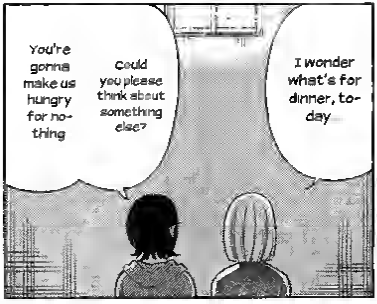
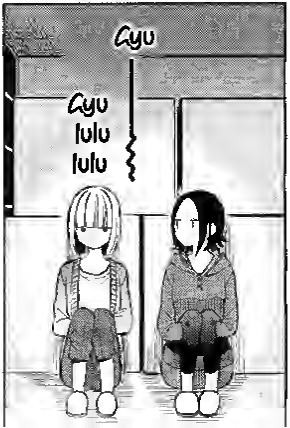
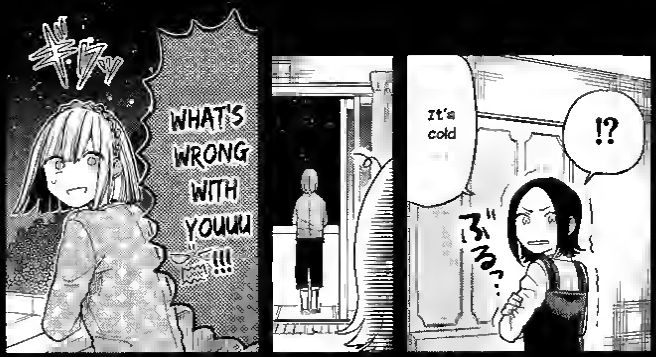
You should hold back a little, you two!
It was just a PE class, you know?
Ah ha ha
Stop clinging to me like this!
Are we...
Going to stay like this forever...?

*A game where you have to find a word starting with last character of the previous one. If someone says a word ending with ん (n'), they lose, since no word starts with this character





will they really notice we're gone...?
You know
It's not like I mind being here.
Even if nobody notices anything
Clac

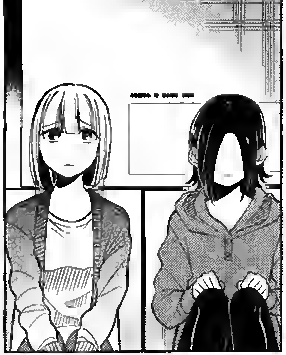


WHAT'S WRONG WITH YOUUU !!!
It's cold
!?
ぶるっ…

ずるずるずるずるずる
The winter sky is all clear, isn't it beautiful?
Do you want to catch a cold at at a time like this?!
You're having exams, remember?!
With almost nothing on you!
Uuh

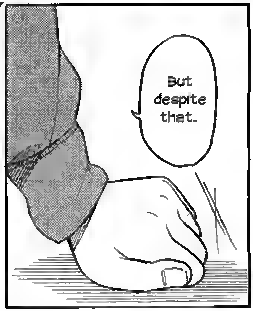
Here, put this on!!
It'll keep you warm.
I'm going back to my desk
You act like my mom.
Your homeroom teacher told me to keep an eye on you, just give up

すぅ
But if you want to stay in Seiran next year
I'm totally fine with it, you know?
That's not my problem, after all
I guess you are right
...
And for whose sake do you think it is?
I'm fed up with it.
But I do nothing but study every day
I'm really hopeless without you by my side
I don't know what will become of me next Spring
ふぅ
Hmmm



If they don't find us
I'll never again be able to enjoy delicious meals
nor to watch the stars'

You are still here, aren't you?



But despite that..

Chiharu?

You said..
You were hopeless without me, didn't you?

If you wish..
I can call you every morning and every night even after you graduate
I'll run to see you on vacations
I'll do what it takes to support you more than anyone...
You knew.

Senpai, I
Thank you...

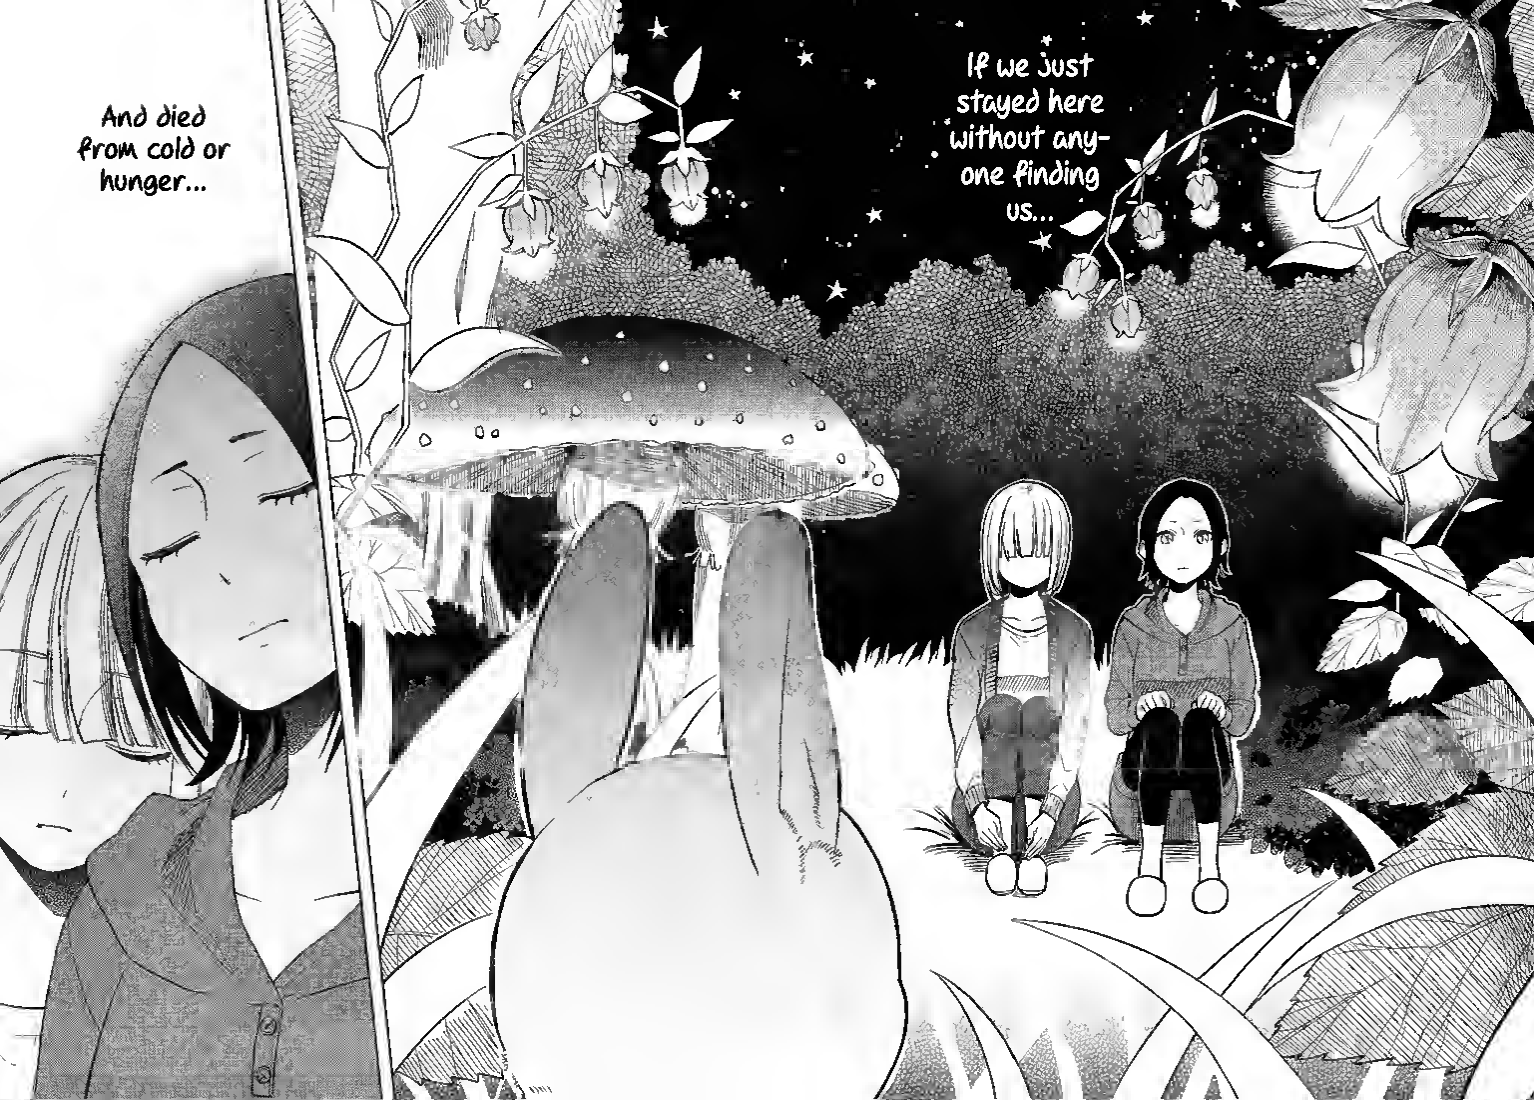
Hey!!
It seems it's my fault, so I have to make amends for it.
I get it, we'll play ping pong if you want!
So, really, please ...
Stop this ...
ううぉぉ

Yep.
It's pitch black outside, now.
What?
Fwah
I'm getting sleepy all of a sudden...
Could you please not casually say someting so gloomy?
Oh look, a Rubens picture.
You're just hallucinating.
You think I'm gonna die?
I'm cold, hungry, and sleepy...
I too...
wanted to become the heroine of the story.
It's kinda hard to come in.

You're planning to go...
To the science department right?
Yeah.
If only time could stop, right now...
Or else...



If we just stayed here without anyone finding us...
And died from cold or hunger...

It could make for a pretty ending, like in a fairy tail.

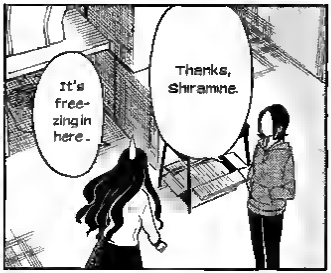
How long have you been here?
Something like three hours?
Three hours?!



Thanks, Shiramne.
It's freezing in here.

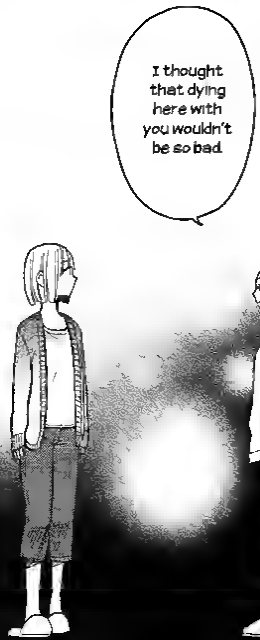
Why didn't you send me an e-mail sooner?
An e-mail ?

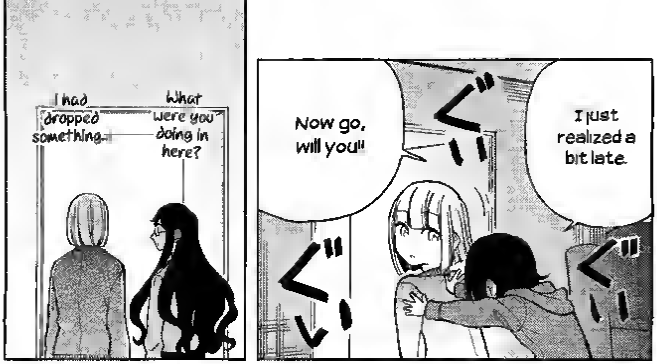
Why did you wait so long to call them, then?!
That's mean!!
Well

You had a phone on you all along?!
I CAN'T BELIE-VE IT
!!

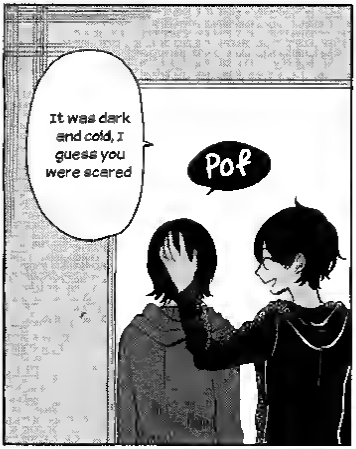
Like I would want to die like this!
Just kidding
.....



I thought that dying here with you wouldn't be so bad.



I had dropped something.
What were you doing in here?
I just realized a bit late.
Now go, will you!



It was dark and cold, I guess you were scared
Pat

Don't worry..
Come on, everything's all right, now..

I would have preferred to share my room with Senpai or something!
Really pathetic.
It wouldn't have made much of a difference though.

One of them is a senpai.
I'm scared
